The Board of Directors of the Bluebonnet Society will review each application. The charities that meet the qualifications of the Bluebonnet Society bylaws will be voted on by the membership. The top three charity recipients as determined by the membership will be announced at the Fall Membership gathering which is held in November.

All funds will be disbursed after the Bluebonnet Ball. A check presentation reception will be held in May 2023 and all charities receiving funds will be notified at that time. If a representative is not present at the reception to receive the funds, they will have thirty days to schedule a time to pick up the donation or forfeit the funds. The Bluebonnet Society historically has awarded funds to multiple charities, including those outside the top three selected by membership.

All charities receiving over \$5,000.00 must account for the disbursements within the same calendar year as the funds are received. The funds disbursed in May 2023 must be accounted for by December 2023.
